

SUMMARY OF FINAL REGULATORY FLEXIBILITY ANALYSIS

Department of Commerce

CLEARINGHOUSE RULE NO.: 08-092

RULE NO.: Comm 5.73

RELATING TO: Liquefied Gas Suppliers

Final Regulatory Flexibility Analysis Summary

The rules implement the licensing mandates imposed by 2007 Wisconsin Act 203. The primary businesses affected by these licensing mandates are suppliers who fill propane gas cylinders. This would include bulk gas suppliers, cooperatives, hardware stores and camp grounds. The department does not believe that the proposed rules will increase the effect on small businesses over that imposed by the Act.
